Thank you, your assistance with this request is incredibly appreciated.

Toni Sharp QSM DTM DISTRICT 112 DIRECTOR

Greetings inspirational valued members of District 112. Today, the 30th June, marks the final day in the 2018-19 Toastmasters year! Wow!!! How did this come around so fast?

Due to you as individual members and clubs challenging yourselves by setting and achieving personal goals, District 112 has an incredible 69 clubs having officially achieved Distinguished status. This means as a District we have achieved one of the three goals we were tasked to strive for by Toastmasters International. I confirm we have also achieved the second goal of increasing our number of clubs, another stunning effort completed by dedicated commitment and teamwork by a large number of individuals, too many to list in this report. I thank you all.

We as a District are still striving to meet the required growth in membership payments, with that figure as I write, this stands at 145. Through dogged determination and follow-up, in some cases multiple times, we do still have hope that this target will also be achieved. Please remember the cut off for registration of new, dual or reinstated members is at midnight 30th June 2019 Denver Colorado time. So I urge you to get payments registered now in order that more clubs are still able to achieve Distinguished, or higher, status. Thank you.

I take this opportunity to formally acknowledge and congratulate the District 112 Division and Area Directors who, at this time, have officially been documented as achieving the goals set for them by Toastmasters International for being an Officer in their respective position. Please note, this list is not final at this time and the final results will not be confirmed until around the 26th July 2019 when Toastmasters International publish the year end results. So we all wait with baited breath... 😊
