

## **DISTRICT 112 IMMEDIATE PAST DISTRICT DIRECTOR'S REPORT**

**Written on 14<sup>th</sup> October 2019**

**In this report I would like to take the time to acknowledge and thank both PDDG Murray Coutts and immediate past PRM Rob Wightman for the extraordinary effort each of them put into the District Awards event which was held on the 28<sup>th</sup> September. This evening was a resounding success and I also acknowledge the superb work done on the evening by our MC John O'Leary. Thanks also to everyone who was able to attend on the night.**

**I would like to offer a suggestion to future Trio's. I feel there would be significant benefit in assigning a technical coordinator to set up and run Virtual Council meetings. It is a time-consuming task to coordinate this facility and unduly takes away focus from key role aspects that need to remain in focus. Perhaps this could be an area that the IPdd would be able to manage. Suggestion only.**

**As IPDD I am here to support and offer assistance to the incumbent team. I am available to assist as and when required, I only have to be asked.**

**Toni Sharp QSM DTM**
