Programme Quality Director

	<p>Stephen Budai DTM My tenure as a Toastmaster is 12 years and continuing. I am a Distinguished Toastmaster and a member of Papakura Toastmasters, Pacific Toastmasters and Silver Service Toastmasters. My greatest passion is helping other toastmasters to achieve their personal development goals and consequently, saying 'no' is a weakness. This year, as Club Growth Director, has been a wonderful experience working closely with our District team as we work towards achieving our District's Mission. I am a strong believer that the most important people in District 112 are its members. I believe that I will be a strong Program Quality Director for our District and I seek your support and collaboration as we work together to serve our members and advance Pathways.</p>
