### Support

Club Coaches - what clubs have a coach appointed and what clubs still need a coach appointed?

On Top Toastmasters	Currently 11 members. In the last few days they have updated their Facebook page and contact details.
Top-Notch Toastmasters	Currently 3 members. This is a council corporate club. Covid impacts Staff worked from home for extended period. Council has now decided not to pay the Toastmasters dues. I am meeting with Troy on the 19 <sup>th</sup> and we will see how to proceed.
Northrise Toastmasters Club	Currently 12 members an increase of 2 YTD. The club has two recent ADs as members. Their Webpage hasn't changed it's appearance for many many years and is boring. Their Facebook page was last updated in August 2019
Academic	A university club with a high turnover of members. In the past Kingsley has been the "constant" providing continuity, knowledge of Toastmasters and a corporate memory. Discussions are starting to provide his successor in that key role.
Sunnynook Toastmasters	Currently 11 members. There is core of experienced members. Last years AD commented that the club worked well. She noted that the membership was low but did not suggest any remedial action. Their Webpage has meeting notes from 2015 to 2016 which gives the impression that it is out of date. Their FB page is a closed group. My concern is that there is a link to that from the TI website. I have had asked DPRM Elizabeth to have a chat to the club VPPR
Long Bay Toastmasters	Dallas Macrus & Brad Nielson current coaches They are active. Further discussions are underway and will be updated at the DEC

### Club Support – what clubs would benefit from additional support and what support is required?

Still being assessed.

### New Clubs – Prospects, leads, clubs in formation

What is the progress and what support is needed?

None

### Division Events

What events have been held and what feedback have you received?

All areas have held Area Council meetings.  
  
Judging workshop held on 1<sup>st</sup> August. Well received. Attendance was low and can be attributed to inadequate promotion.

Division Conference will in Whangarei.

**Challenges**

What challenges is the Division facing and what potential solutions/assistance is needed?

Issues	Solutions
Membership	<ul style="list-style-type: none"><li>• Increase the guest count.</li><li>• Achieve a guest/member conversion rate of 50+%</li><li>• Ensure that the clubs are providing what the members want, which will lead to a high retention %</li></ul>
