Support

Club Coaches - what clubs have a coach appointed and what clubs still need a coach appointed?

One Hour Club - Irene Hunter (awarded)
Eco City Toastmasters - Shagen Ganason (pending)
Birkenhead - Elo Anajemba (pending)
Takapuna Midday - Glenda George & Elizabeth Viljoen (pending)
Speak Ezy - Meegan Herewini & Katrina Matich (pending)

These Clubs have requested and/or been assessed as requiring a Club Coach appointment, however 4 out of 5 of these requests are still “pending”.
I have been unable to find the feedback/evaluation documents following these Club Coach appointments and would be interested in the progress/action points/achievements/feedback from a Club Coach perspective. It would also be hugely beneficial to see the evaluation feedback from Club Officers following their work with the Club Coaches.

Club Support – what clubs would benefit from additional support and what support is required?

Eco City - Corporate venue and members negatively impacted by loss of venue and member relocation. Excellent core group of members could benefit from increased membership, marketing support. Club Coach is still "pending".

Weekend Toastmasters - would benefit in terms of building and maintaining membership. Excellent group of existing and experienced members though Club could benefit from a Club Coach due to low membership.
Club Coach to focus on reinvigorating marketing strategies for this weekend Club.

Milford - Well established existing, experienced membership though due to low membership would benefit from a Club Coach. Support with new ideas for marketing and membership building.

Belmont - membership building focus, fresh ideas, branding promotional budget. Would benefit from a Club Coach to work alongside Club Officers to address these needs.

Devonport Esplanade - requires building and maintaining membership focus. Well established Club with experienced members. Club Coach could work to reinvigorate with fresh ideas.

Takapuna Midday - membership building, reinvigoration, fresh ideas and support with marketing and branding required. Club Coach is still "pending".

Takapuna - Corporate Club with tight meeting timeframe. How can the "corporate" see the value of Toastmaster's membership?

New Clubs – Prospects, leads, clubs in formation

Challenges
What challenges is the Division facing and what potential solutions/assistance is needed?

Issues	**Solutions**
Club Coach appointment - many Clubs require a Club Coach but currently not all identified as needing this support have one in place. Addressing delays to this process.	Club Coach training (already in place which is great). System in place to evaluate Club Coach input, transparent process to ensure Clubs get the support they need in a reasonable timeframe.
