Kawerau	**8**	**0**			
First City Club	**16**	**4**			
Eastland	**11**	**2**			

Support

Club Coaches - what clubs have a coach appointed and what clubs still need a coach appointed?

Arawa Club - Kathryn Anita Warbrick, LD2 (Richard Perkins will become coach soon)
Kawarau TM - Peter J. Trevor, ACG, ALB, Richard Perkins, DTM
Whitianga Sean Walton, DTM, Anne-Marie Andrews, EC3

Club Support – what clubs would benefit from additional support and what support is required?

Continued support to hold major membership drives. First one successful with visitors coming along, not many, but should have a few joining. New speechcraft course will be delivered soon-ish. Main focus, to get more members, have club coaches available.

New Clubs – Prospects, leads, clubs in formation

What is the progress and what support is needed?

No new clubs in progress

Division Events

What events have been held and what feedback have you received?

For example – COT, Area or Division council meetings, Area or Division contests, workshops etc

COT – Usually well attended

Area Council meeting – Three were held, reasonable attendance and the Q1, Q2 membership drive that was held in early May was a huge success. Rotorua are certainly a family working together for the common good and all helping each other to increase the membership. It is a spirit of unity that is tangible and exciting. Q1 and Q2 also held open meetings at the night market.

This trend will be continued during 2021/2022

What events are being planned e.g., club anniversaries, DTM awards etc?

Selwyn Bennett inter club contest will be held around September – all Rotorua involved and also used as a membership drive. Further events are in early stages of planning.

Pins for completion of pathways will be introduced.

Challenges

What challenges is the Division facing and what potential solutions/assistance is needed?

Issues	**Solutions**
Membership is low	Continue with Night market, plan next open day meeting (Also with pamphlet drops), Selwyn Bennett contest may help.
COT Attendance is low	Inspire AD's and an excellent COT is needed.
Probable folding of clubs -	Not sure what I am inheriting. No more folding…
Club Coaches -	A few need coaches, and to get the right people is the trick, as the 'oldies' are almost not wanted to help them. They need new fresh experienced TM's who can help them
Unwillingness of Hybrid Club tendancies	Unsure of technology needs a fun training session with the key members. A Technical Toastmaster Session / meeting may be possible.
