Club Support – what clubs would benefit from additional support and what is required?

Appoint Club Coaches, and assistance as needed. Assistance for club that is stand- alone geographically (Whakatane). Continue holding major membership drive in Rotorua (incl Selwyn Bennett in Sept). Speechcraft course can be introduced October. Main focus, to get more members, have club coaches available.

New Clubs – Prospects, leads, clubs in formation

What is the progress and what support is needed?

No new clubs in progress.

Division Events

What events have been held and what feedback have you received?

For example – COT, Area or Division council meetings, Area or Division contests, workshops etc

COT – Reasonable attendance and new officers loved it. Thank you to Wendy and many others. Area Council meeting – Planned but Covid depending (on the calendar). District Council Meeting and Contest day – in holding for the moment re Covid. I am looking for an interesting educational session at that meeting to make it very worthwhile for those travelling from far.

What events are being planned e.g., club anniversaries, DTM awards etc.

Rotorua collaborative membership drive possible in May 2022. Soon the Selwyn Bennett tall tales contest. Towards November a quiz evening is planned. Generally, Rotorua clubs are working together for the common good. Everyone is helping each other to increase the membership of all clubs. The night market may only restart in warmer weather. Pins for completion of pathways will be introduced however cost and availability is considered depending on what District can arrange with TI shop. June 2022 is Pioneers 25th birthday. Will check on other birthdays too.

Challenges

What challenges is the Division facing and what potential solutions/assistance is needed?

Issues	Solutions
Low Membership	As described above. All clubs work together in a few membership drives – Speechcraft to be done at library.
COT Attendance could be better	Inspire AD's, excellent COT. Most were appreciative of the COT. Kawerau, Whakatane are work in progress
Probable folding of clubs -	No more folding…
Club Coaches -	Covered above – 5 clubs in need of coaches
Unwillingness for Hybrid Club • Now is a great opportunity to get it going • We can help clubs who may need some technical support setting it up, and training to become au fait with the technology.	I cannot support long distance but can provide Zoom to them. They are unsure of technology needs a fun training session with the key members is needed in the Area Council Meeting. (also on zoom – can this be done?) A Technical Toastmaster Group is needed to support all clubs. Perhaps our CGD can work on creating one as a base for all clubs.
