Support

Club Coaches - what clubs have a coach appointed and what clubs still need a coach appointed?

M1: Rosebank and M.A.R.C Toastmasters both need club coach assistance.
M2: First Light is really struggling with membership.
M3: AM Toastmasters need members. Speechcraft club facing dissolution – prospect to bring in new group of TMs to take over from current team and adopt pathways.
M4: All clubs facing challenges with low membership – club coaches needed.
M5: EY and Westpac club need club coaches.

Club Support – what clubs would benefit from additional support and what support is required?

The clubs above all have similar challenges with low membership, being unable to commit to CLT and host contests. This is disappointing given that all efforts have been made to communicate the importance of these things with the clubs.

It is possible we could use some very strong clubs as an exemplar such as Auckland West, Auckland TM and/or CBD club.

New Clubs – Prospects, leads, clubs in formation

What is the progress and what support is needed?

- Possible merging of the 2degrees club and Fidelty Life given they are in the same new building.
- Online club (fully run via some platform).
- Club coaches and successor for DD and AD.

Division Events

What events have been held and what feedback have you received?
For example – COT, Area or Division council meetings, Area or Division contests, workshops etc

Club Charter Dates:

1. **Area Director Visit:**
   All Area Directors are in the process of organising for their respective AD visits, given the recent lockdown (from NZ's covid outbreak), our comms and visits until level 1 resumes will be via Zoom! AD's are in the process of reviewing how to apply the ABCD strategy.

2. **Contests:**
   Prior to the lockdown, all area contests were organised with venues being finalised, given the recent change in the lockdown situation extended to at least early September, it is likely all contests will be pushed back, this means the Division M conference is likely to be impacted. As contests were voted to be held in person (as per the District vote and TI rules) instead of online, it is likely the first round of contests will be delayed. However, clubs are reporting that they are planning on holding club contests anyway, given most clubs have settled into running meetings online.

3. Preparing for **DOT** presentation.

2021:

26th August: District Council Meeting (DCM)
6th September: DCM for DOT presentation.
11th September: District Executive Council (DEC) and DOT
16th October: Division M Conference (Table Topics and Humorous)

- Area M1-M5 contests will probably be from 12th October if still in person.

2022:

9th April: Division M Conference (Evaluation and International)

- Between Feb and March.

7-8th May: District Conference

What events are being planned e.g., club anniversaries, DTM awards etc?

- How to support the District Success Plan
- Encourage district members to
- Major anniversaries such as 25 years…

Challenges

What challenges is the Division facing and what potential solutions/assistance is needed?

Issues	**Solutions**
The latest lockdown may pose some challenges for clubs that were already facing membership challenges prior to lockdown.	Provide all the support for online meetings such as Zoom account funding could be allocated to a premium account via club dues.
Attendance to CLT and DOT	Incentivise people to attend – needs to be shorter for corporate clubs. 2 hour or less.
A lack of successful communications with some clubs, this is after all traditional means have been used.	This needs further investigation.
