### Support

Club Coaches - what clubs have a coach appointed and what clubs still need a coach appointed?

Clubs with coaches are – wired for sound has a club coach.

Clubs that are eligible for club coaches are Motorua [10] Naumai South Taranaki [10]; Dynamic Diners [8]; New Plymouth [8-10]; Stratford still has low numbers [6]  
P2 = 2 clubs are in the process of rebuilding - New Plymouth and Bellblock  
P3 no club coach eligibility  
P4 = Piako and Dawn shakers eligible but not appointed  
P5 = Raukaura, Dynamic Dyners eligible not appointed, WFS has a club appointment

Club Support – what clubs would benefit from additional support and what support is required?

Clubs that could do with some extra support are Motorua [11]; Stratford [6]; Naumai South Taranaki [10]; Wordplay on Saturday [14]; Dynamic Diners [8]; New Plymouth, and Bell Block

This is around membership building and Education around Pathways in some cases.

A general motivational support for all the clubs would strengthen what all the clubs currently have, giving lead to successful succession planning. keep an eye on NPTM and BBTM who are in the process of rebuilding - more support would be beneficial. [Most of the members are relatively young in toastmasters].

Incentives to bring clubs up to par for Pathway adoption is still down. 4 clubs below 70% officer adoption.

### **New Clubs – Prospects, leads, clubs in formation**

What is the progress and what support is needed?

There are no new prospect clubs in Division P. The concentration has been on rebuilding the clubs that are already in existence to healthy levels. but there are aspirations to have another online club if possible.

### **Division Events**

What events have been held and what feedback have you received?

For example – COT, Area or Division council meetings, Area or Division contests, workshops etc.

A Q and A Pathways series or similar support has been discussed to cover the needs of the members. Area Council held a joint area council, carried out by the Division and Area Directors. Division has hosted a COT along with assisting other Divisions with their COT online. Contests planning in place for both online and face to face waiting for the final decisions from TI etc. Area contest dates are currently 11 Sept and 24 Sept based on face-to-face criteria. Back up planning is in the process.

Similar events online for Pathway education have been discussed that could benefit not just within the division.

Reviewing and improving the update of the online presence in Face book, Easy Speak and Free Toasthost is in progress. Area Directors monitoring.

What events are being planned?

## Challenges

What challenges is the Division facing and what potential solutions/assistance is needed?

Issues	Solutions
Membership numbers are down in general with numbers dropping well below the healthy base membership number.	Publicity and hands on work by division and Area Directors in conjunction with support from the top table
Lack of Educational awards being registered or attained.	Sourcing Pathways Leaders on a division and area level grass roots. and providing support from the district as called upon.
Numbers of people willing to step up as club coaches within this area	Training and promotion of and the benefits of not just being a club coach but also what that could entail for the club itself is still a priority for some areas.
