New Clubs Chartered - I take great pleasure (but absolutely no credit) in announcing our newest Club: **Countdown to Speech Master**. As you may guess from the name, this is a club for the Woolworths Countdown Group, Australia New Zealand chain of grocery stores. You may not be aware that Countdown NZ is affiliated with Woolworths in Australia. This first club is online and straddles the Tasman, with members from both countries. There is huge potential for creating, what I like to call "franchise" clubs, once we return to face-to-face meetings. Well done to Natalie

Dewilde and Sharon Kerr-Phillips for their good sense in guiding the delicate process of chartering this new club through unprecedented times.

Coming Up – Where will our CGD be this coming month?

I look forward to seeing as many of you, with a desire to learn, as possible. These are open meetings. I especially encourage members who may be considering becoming either Club Coaches or Area Directors in the future, to come along to find out what it is all about. And to hear from those at the coalface about techniques for tackling the work.
