Support

Club Coaches - What clubs have a coach appointed and what clubs still need a coach appointed?

CLUBS QUALIFYING FOR COACHES

On Top Toastmasters - currently has 8 members.

Club Support – What clubs would benefit from additional support and what support is required?

From Wednesday 18 August, when Alert Level 4 was placed across the country, some clubs required zoom accounts to continue to hold meetings. District has kindly offered Division Directors with zoom accounts so the clubs in each of our Division can continue to meet online. It has been a great learning experience navigating Zoom and more and more of our members are becoming more comfortable with not only using but managing Zoom meetings, which is great to see. It will be great to see emerging Zoom Masters for the future to follow in the footsteps of our wonderful Division K Zoom Masters, Troy Smith and David Huang.

New Clubs – Prospects, leads, clubs in formation
What is the progress and what support is needed?

Northern Impromptu Toastmasters are a new club in formation and would love to reach out to interested members seeking to challenge themselves and advance their impromptu speaking skills. Having attended their "Deja Vu" themed meeting on 17 September with our District Director, Stephen, we found the meeting to be engaging - never a dull moment in this exciting club! Their website is https://northernimpromptu.toastmastersclubs.org/ if you are interested!

Division Events
What events have been held and what feedback have you received?
For example – COT, Area or Division council meetings, Area or Division contests, workshops.

Pathways workshop held by Division K's very own Marcus Bristol - CLUB COACH of the year 2020-21. We are so proud of Marcus and all his selfless work he has put in to help our clubs be the best they can be.

What events are being planned e.g., club anniversaries, DTM awards etc?

Our Division Public Relations Manager, An, is doing an incredible job of developing our Division K Facebook Page. Our page is **Division K - District 112 Toastmasters NZ North** so if you would like to see any of our updates, please feel free to check us out! Our Area Conferences are being postponed until Auckland drops down an Alert Level.

Challenges
What challenges is the Division facing and what potential solutions/assistance is needed?

Issues	Solutions
Pathways - ONLINE	Experienced members within the club can be a "Pathways buddy" to members who need additional support in doing the **administrative** side of Pathways online. I have and will be continuing to assist some of our members within Division K with registering their Pathways speeches they have completed. It is a great way to help out and only takes 10 minutes of your time - I would recommend it if you know someone is struggling with the online platform.
