Support

Club Coaches - What clubs have a coach appointed?
- What clubs still need a coach appointed?

Arawa Club - Kathryn Anita Warbrick, LD2 and Richard Perkins DTM
Kawarau Club - Anne-Marie Andrews EC3 (AD) and Richard Perkins DTM
Eastland TM – Helen Hunt DTM

<u>Club coach support will be personalised to what clubs want and need.</u>

Clubs who qualify for a club coach based on membership numbers are listed below.

Q1	2684	Taniwha Hunters Toastmasters	11 members
Q3	1355016	Papamoa Toastmasters	8 members
Q3	7990	Katikati Toastmasters Club	10 members

I want to invite all the members of these clubs to a meeting, possibly with the trio on how to proceed and what their expectations are. It would be good to hear from them.

Club Support – what clubs would benefit from additional support and what is required?

Ask Clubs if they would like a coach, perhaps someone who can zoom in or not local to be in contact with them. Some clubs do not want the 'same old' toastmasters that have been around. Covid has not allowed us to continue holding major membership drive in Rotorua (incl Selwyn Bennett in Sept- now postponed till October, pending further postponement).

New Clubs – Prospects, leads, clubs in formation

What is the progress and what support is needed?

Helen Hunt is working with Anne Coleman concerning a club in her area. There may be a conflict here with Division R. My understanding is Div Q i.e. Helen Hunt has been working with Anne over a few years in forming this club.

Division Events

What events have been held and what feedback have you received?
For example – COT, Area or Division council meetings, Area or Division contests, workshops etc

COT – Reasonable attendance and new officers loved it. Thank you to Wendy and many others.
Area Council meeting – Planned but Covid depending (on the calendar).
Division Council Meeting and Contest day – Set for Nov 13.
I am looking for an interesting educational session at that meeting to make it very worthwhile for those travelling from far.

What events are being planned e.g., club anniversaries, DTM awards etc.

Many events are pending the status of Covid, once we are in Level 1. Examples of these plans include speechcraft, a Rotorua collaborative membership drive, the Selwyn Bennett tall tales contest and a quiz evening. Generally Rotorua clubs do work together for the common goal of increasing the value of Toastmasters to the public. We all help each other to increase the membership of all clubs. The night market has restarted, but it is tricky with Covid on our doorstep. I do not think we will do the night market for a while.

Concerning the Pins for completing a path, cost and if the US is posting to NZ (tbc). Unfortunately, the world situation has us at a strangle hold for the moment.

Challenges

What challenges is the Division facing and what potential solutions/assistance is needed?

Issues	**Solutions**
Low Membership	As described above.
COT attendance could be better	Have a video promoting COT, share with clubs??? Team Building workshops. Just a thought, but good food and excellent venue will help – CT Club is my goal. We have to start thinking out of the box, to even silly ideas, but at least it will get us thinking about making one hell of a day that will not be forgotten. Work in the day, play after dinner – make a huge day of it – Just thoughts.
Unwillingness for Hybrid Club No facilities at Kawerau	I cannot support long distance, but can provide Zoom to them. They are unsure of technology needs a fun training session with the key members is needed in the Area Council Meeting. (also on zoom – can this be done) A Technical Toastmaster Group is needed to support all clubs. Perhaps our CGD can work on creating one as a base for all clubs. (Same answer here as my Aug Report)
