New Club Officer Training Format 2022

Thank you for your feedback, I am pleased to incorporate this into the next round of training.
Training will continue to be provided on zoom, as it is more effective and convenient for officers and presenters, as no travelling is required.

Round One - Training Programs:

1. New Club Officer Training 101 – learn your role, key club deadlines, tools, and support as a club officer. July 2022
2. Experienced Officer Training – key club deadlines, workshop choices pathways, quality clubs, club success plans. August 2022

Round One – Training Requirement

- Attend three hours of training over either of the two programs (three hours of training does not need to be concurrent)
- Compulsory one club officer breakout session for the officer role you hold. (If you hold another different officer role, you will need to attend one more officer breakout session total of two officer breakout sessions)

Round Two – Training Program Changes

These sessions will be shorter and held in November and December.
Key topics: a refresher on what is left to do for the year, opportunities to exchange ideas, resources, and support for clubs to grow membership and achieve their education goals.

Conference 2022 – Reach Out – Connect - 6-8th May 2022

Wendy Booth, DTM, has competently led the district conference planning committee.
Her team had to quickly pivot from in-person conference to being fully online due to covid restrictions. I want to acknowledge their hard work in providing valuable workshops, fun activities, and some amazing keynote speakers. Refer to our conference page on our website.
