Support

Club Coaches - what clubs have a coach appointed and what clubs still need a coach appointed?

Covid restrictions have decimated interest in clubs, as members struggle to engage with the online club meeting and TM in general. Coaches needed across all areas.

Club Support – what clubs would benefit from additional support and what support is required?

Clubs need to better communicate the value proposition of online club meetings, as a lot of members have not renewed this renewal period, largely driven by discontent with meetings and contests being online.

Area and Division Contests were a broad success, but was incredibly difficult to get interest from all clubs. Area M4 sent no representatives.

Clubs need support as they shift back to in-person or hybrid.

New Clubs – Prospects, leads, clubs in formation

What is the progress and what support is needed?

- A few clubs have closed. No new prospects.

Division Events

What events have been held and what feedback have you received?
For example – COT, Area or Division Council meetings, Area or Division contests, workshops etc

1. **Area Director Visits**
   ADs are getting ready to visit clubs again, as we enter the orange setting.

2. **Contests**
   Division M conference was a broad success, winners to compete at District Conference online in May 6-8.

3. DCM with Area Directors in the new few weeks.

What events are being planned e.g., club anniversaries, DTM awards etc?

Triple Crown Awards given to winners from Div M conference.

Challenges

What challenges is the Division facing and what potential solutions/assistance is needed?

Issues	Solutions
Red setting has decimated interest in renewals	Wait for members to regain confidence with in-person meetings.
Contests and online club meetings still struggling.	Keep showing the value of online.
A lack of successful communications with some clubs, this is after all traditional means have been used.	This needs further investigation.
