Support

Club Coaches - what clubs have a coach appointed and what clubs still need a coach appointed?

11 clubs with 12 or less. Club coach discussions with WPOS 2 [BBTM and NPTM] are continuing rebuilding from last year. P1 has 3 clubs that could benefit from coaches MOT, NSTM, STFD. Raukura would benefit from district assistance to prevent closure.

Club Support – what clubs would benefit from additional support and what support is required?

The following clubs could benefit from support they are NSTM, STM, Mot later is just re-establishing themselves as late as March. Help has been offered to this club.

General support to the clubs would be beneficial for membership growth. I am keeping an eye on BBTM and New Plymouth membership wise.

New Clubs – Prospects, leads, clubs in formation

What is the progress and what support is needed?

Discussion has been had about starting a club in the area, this is a work in process.

Division Events

What events have been held and what feedback have you received?

For example – COT, Area or Division council meetings, Area or Division contests, workshops etc

Division P area and division contests have both been held by Zoom with div contest 9 April 2022.

What events are being planned?

Open house meeting for New Plymouth 28 April 2022. WPOS also looking at open meeting Promotions for Facebook boosting for all division P clubs through District. WPOS have accessed and NPTM and BBTM have had boostings.

Challenges

What challenges is the Division facing and what potential solutions/assistance is needed?

Issues	**Solutions**
Some Hybrid technical Education need to be made available for clubs just taking hybrid on board.	DD has offered to help some clubs, but there are others who have this expertise in this field
Membership is a slow improvement with some losses in most of the clubs	DD and AD working together to form a plan to improve membership including boosting funds to the clubs
Membership is down for some degree, but we do not have any clubs with less than 8 members.	Open house meetings Membership drives Combined meetings with another clubs Pooling of skills to improve membership Promotion of cross club culture.
There seems to be a deficiency of educational registration of awards in some clubs. Some education in this area would benefit all clubs in the division.	Training in this field at a national level or even at division level

Successes
Net loss of membership over the whole division with only 3 clubs with an increase of membership. 3 A clubs 20 members or above; 4 B Clubs with 13-20 members; 11 Clubs 8-12 members ; 3 D Clubs <8 members. [Naumai South, Wordplay on Saturday and Raukura] Awards 62 Level 1 education awards; 43 Level 2 awards; 35 Level 3 awards; 22 Level 4 awards; 7 Level 5 awards; 1 Mentor award and 1 DTM award. 172 awards in total.

AD’s have done their visits under way and aiming for 1 May completion but still need to do the official paperwork.
21/21 clubs trained in round 1 with 19/21 clubs successfully trained in round 2 Club renewals 21/21
