DISTRICT 112 NORTHERN NEW ZEALAND DIVISION REPORT

Division: **R**	Division Director: **Neville Isherwood**	Report date: 11 April 2022

The last two years have strongly impacted Division R with many clubs having the same issues of declining membership.

As at 11th April 2022, Division R had only 1 club at charter strength (20 members) while 6 clubs had between 15-19 members, 5 clubs had between 10-15 members, 3 clubs under 10 members. One club, Speaking of Levin, did not renew at this time, but there is hope for a September re-birth.... leaving 15 clubs in the Division.

Although we have had Pathways for a few years, the interface is still viewed among those members who are not truly computer-literate as not being user-friendly. This is indicative of comparisons between Pathways adoption rates and Educational Awards registered. All 15 clubs have between 80%-100% rate of Pathways adoption while 21 educational awards have been registered so far this year.

The low number of education awards registered may be an unawareness of the Pathway project/level completion process or a lack of understanding from the VP Education that there are two parts to the process...Base Camp approval AND entry into Club Central. This lack of understanding may be resolved by the new upgrades that are occurring in the system in the next 3-6 weeks.

Triple Crowns were achieved by Margaret Simons, Marcus van Irsel, and Rose Oosthuysen.

Club Coaches

R1 has 3 clubs that could benefit from Club Coaching although Fielding seems happy with their numbers.

R2 has 2 clubs that would benefit from Club Coaching although Dannevirke is content with their numbers at present.

R3 has 3 clubs that could benefit from Club Coaching although Bay City have refused assistance in the past.

New Clubs – Prospects, Leads, Clubs in Formation

The proposed club in Wairoa is progressing slowly while a monthly wine club in the Hawkes Bay has been suggested, The R3 Area Director has been advised of this new prospect.

With the suspension of Speaking of Levin in R2, there will be a new advance to Horowhenua District Council with regards to an in-house club. There will also be another approach to Warehouse, Countdown and other large businesses with an aim to getting new members for a revitalized Toastmasters club in Levin.

Division Events

Area and Division contests were held online due to continued lockdown limitations but were highlighted by lack of contestants from a number of clubs. It was disappointing to see that there were single contestants at Area level in a number of contests. However, the Area and Division contests were very well run events that highlighted the abilities of officials.

Overall, the standard in all contests at Division level was extremely high.
