•	1035744	Sylvia Park	COACHU	03136241 - Name unavailable	02/16/2021	AWARDED

- Manukau is not showing here but has been assigned Greg Mulholland as Club Coach.

CLUBS WHO NEED A CLUB COACH

- O2 Central Park - Nathan has been serving as an unofficial club coach due to joining the club before recognising you cant be a member before joining or vice versa
- O3 Howick – is near the threshold
- O3 Sylvia Park – dropped under 11 and will need one since the current coach has been awarded their coach credit?
- O5 – Wiri Ramblers is qualified for a coach, but if I heard correctly, they don't want one.

Club Support – what clubs would benefit from additional support, and what support is required?

Area	Club	Support Area	Details
O1	Meadowbank	Membership/Rebuilding	A club that was near the brink of dying is still in a relatively critical state and will need close monitoring and support across the board to help them rebuild.
O2	Central Park	Pathways/Membership/New Exec Support	Their club VPE has been a bit absent minded and relatively slow to pick up on Pathways completions and doing a weak job of promoting the use of Pathways and members signing off projects. A recent push by their AD, Nathan P, has encouraged them to get their act together, but this needs to be closely monitored. They also need help supporting new exec members in a small club with many season TMs who aren't pulling their weight.
O2	Ellerslie	Membership/Exec Promotion/Finding Successors	There has been recent indication of a few members leaving, also there are several experienced members who are nearing burnout and they've struggled to get many new people on the exec.

O2	Harrison Road	Membership/Front Door/Finances/Converting Guests	They have far too much money in the bank (over $7000) and need to be constantly pushed and reminded ways to spend their money. I don't understand how past AD's or even how the District have ignored this or allowed this to happen??? They also need support tidying up their practices as they've had some guests but few have converted. They tried offering a subsidised membership scheme, but very little took the offer, which may be a flaw in their marketing or online presence, or their basics in being able to provide high quality meetings.
O2	Onehunga	Hybrid Set Up Tips?	The club needs support with finding a way to persuade or convince someone in the club to take ownership of being the technical expert who will set up hybrid, the club had an appetite, but said it won't work for them because they don't have anyone who wants to do it – be the tech/zoom master set up person.
O3	Sylvia Park	Membership/Front Door	This club needs help selling themselves, or might need help walking them through the process of changing their meeting time, so it's more favorable. Being a morning club they clash with neighbours, which makes them compete with the same audience as Ellerslie, Central Park, and even Wiri who all meet on Tuesday morning.
O4	MITe Speakers	Rebuilding Club	Even though they have Te Papa members merging, they will likely need some support guiding them through the process of rebuilding back to a healthy club. Their member numbers are still below a healthy level.
O4	MCBC	Dispute Resolution/Convincing Newer Members To Join The Exec	More of a FYI keep monitoring, the club recently went through mediation and is managing fine now, but is worth keeping an eye on.
O5	Manukau	Membership/Rebuilding Club/Pathways/Front Door	This club, even though it has a club coach, and other experienced TM involved, will need to be closely monitored, as it has recently suffered quite a brutal exodus of key members and is having to rebuild from scratch. They will need all the support they can get.

O5	Manurewa T.A.L.K	Membership	They need more members like most clubs.
O5	Wiri	Membership/Front Door/Pathways/Rebuilding Club	This club seems to have a history of being a difficult club with rigid mindsets and have shown sometimes an unwillingness to cooperate. They will need all the help they can get and close monitoring.

New Clubs – Prospects, leads, clubs in formation
What is the progress, and what support is needed?

South Auckland Advanced Toastmasters (SAAT) there was a push for this to be restarted but this has since been tabled.

Manaaki Korero – Meegan Herewini and Nathan Piahana, have been discussing the idea for a new club, but they will be tabling this while they focus on their time as first-time Division Directors, and will likely pick this up next year.

Pokeno – Jane Crosbie, from MCBC, has been approached by Ben Ross about setting up a club in Pokeno. She has started gaining traction with a few members, and was going to reach out to her contacts in the arts community, but this is under monitoring at the moment.

From Ben's last report, no update on these.

2. Takaanini (Community)

3. Paerata (Community)

Possible new clubs servicing the Mangere/Otahuhu Local Board area including the Airport complex are worth scoping out.

Division Events
What events have been held, and what feedback have you received?
For example – COT, Area or Division council meetings, Area or Division contests, workshops etc

District Strategy Planning for new Division Directors, a positive session overall.
Area Director Training – early days, we've had 2 sessions over the past 2 days, no feedback received yet. Feedback from past AD's involved, the execution of the content in word format rather than purpose-built slide show was less effective than it could have been. General feeling from those in attendance, positive and helpful for them, but still overwhelming.

What events are being planned, e.g., club anniversaries, DTM awards etc.?

???

Challenges
What challenges is the Division facing, and what potential solutions/assistance is needed?

Issues	Solutions
I think it's premature for me to assume across the Division at this stage, aside from my earlier comments, based on mostly last years AD's findings.
