Support

Club Coaches - what clubs have a coach appointed, and what clubs still need a coach appointed?

As Shyamal commented in his last report, coaches are needed in a number of areas. This is especially true with the corporate clubs.

Club Support – what clubs would benefit from additional support, and what support is required?

Corporate clubs in particular are struggling membership-wise. Clubs also need support and encouragement to adapt to a hybrid club environment and the value that that brings.

New Clubs – Prospects, leads, clubs in formation

What is the progress, and what support is needed?

No new prospects at this point. The closure of a few clubs provides the opportunity for new clubs to be built to replace them.

Division Events

What events have been held, and what feedback have you received?

For example – COT, Area or Division council meetings, Area or Division contests, workshops etc

Nothing further as yet

What events are being planned, e.g., club anniversaries, DTM awards etc.?

Division contest scheduled for the 15th of October 2022 and 25th March 2023 at the Fickling Centre, Three Kings

Challenges

What challenges is the Division facing, and what potential solutions/assistance is needed?

Issues	**Solutions**
Membership	Engagement with management for corporate clubs, continued promotion for community clubs. All with assistance from District as requested.
Encouraging online/hybrid meetings	Engaging with clubs who already are hybrid to support the transition
COT for corporates	Designing COT in a way that is attractive to corporates where they can see the value
