Challenges

What challenges is the Division facing, and what potential solutions/assistance is needed?

Issues	Solutions
Vacant Area Directors roles (13 as at 16.06.22)	Continued work by current District Leaders to promote the role on social media and to identify possible candidates within the District.

Relatively minimal public awareness of Toastmasters	Increase the profile of Toastmasters in the public domain. Advertising to highlight Toastmasters especially to Business owners – employees attending a TM program will benefit their employees presentation and leadership skills. Focus on working professionals and younger cohorts.
Membership declining – COVID, finances, ageing membership, technophobes, Corporate Club decline (mainly due to Covid)	Zoom Hybrid meetings - encouraging members from other regions to join. Educationals and 1:1 support for members to assist them getting online. Ensure members are getting quality training and input from District events. Answering the "what's in it for me, how can I benefit from this?" question for members. Toastmasters from Clubs with "healthy" membership numbers to support Clubs who are struggling. Specialist support for Corporate Clubs, including specifically developed COT for these Clubs. Coaches/mentors/sponsors to work alongside Corporate leaders/managers to continue to advocate the importance of Toastmasters for employees from a personal and professional development aspect.
Insufficient Club Coaches. Lack of reporting/accountability and transparency in Club Coach role. Lack of documentation from Club Coaches so current and previous Club Coach work with Clubs is unknown. Lack of guidelines around Club Coach role and evaluation and feedback of their input/effectiveness.	Promote and recognise importance of Club Coach role throughout the District. Provide training, guidelines, feedback, and evaluation for Club Coaches. Standard documentation required for Club Coaches to complete when working with Clubs (similar to Area Director Reports) to increase accountability and transparency.
