Support

Club Coaches - what clubs have a coach appointed, and what clubs still need a coach appointed?

Clubs that would benefit from a club coach are Wordplay on Saturday [looking at changing their name] to Hamilton Central Essential, Dynamic Diners, Te Awamutu, Taumarunui, Motorua, Naumai South and Stratford.

Club Support – what clubs would benefit from additional support, and what support is required?

Clubs that would benefit from a club coach are Wordplay on Saturday [looking at changing their name] to Hamilton Central Essential, Dynamic Diners, Te Awamutu, Taumarunui, Motorua, Naumai South and Stratford. Some clubs are slowly building but extra support could bring them to stronger membership support. This could be in the form of promotion material and financial assistance for publicity.

New Clubs – Prospects, leads, clubs in formation

What is the progress, and what support is needed?

No clubs in prospect, lead or in formation from Division P.

Division Events

What events have been held, and what feedback have you received?

For example – COT, Area or Division council meetings, Area or Division contests, workshops etc

We held two combined area council meetings within Division P and the Speech contest was held online with all for contest taking part at that time by zoom. New Plymouth held two open house meetings and Bell Block held one. Wordplay held an open house at the library in June.

What events are being planned, e.g., club anniversaries, DTM awards etc.?

We have a 50th Anniversary currently planned for Pukekura, and a 25th anniversary for Naumai South Taranaki. More open house meetings are being planned for New Plymouth and Bellblock.

Challenges

What challenges is the Division facing, and what potential solutions/assistance is needed?

Issues	Solutions
The issue of Membership is ongoing but all but two clubs are still viable and 8 + membership.	Promotion of interclub activity, such as quiz nights or open house meeting.
The enthusiasm for COT was less this year for the 2nd half despite an incentive being clearly circulated to the Area Directors.	Increase the incentive, start the incentive earlier, increase the communication between Division Director and the Area Directors at the beginning of the TM Year.
Lack of training to submit educational goals. Some clubs still struggling or holding onto awards and members not signing off on pathways.	Provide training to all clubs on the protocol and system for submitting awards. Do as a division, area, etc. to capture as big a coverage as possible.
Club officer Training saw 78.5% of officers trained [116/147 total officers] in the first training with 58.5% trained in the 2nd COT [86/147 total officers]. Total net loss of members from 1 July to 24 June is 49 members with only 1 area showing an increase of membership. Area P2. Latest membership figure is 268 members. Five clubs are Distinguished, Select Distinguished or President's Distinguished for the whole area with one Distinguished Area Director to date. There is still time to achieve more!!!	

3 new incoming ADs have been confirmed, still working on the last 2.

Total of 119 Education Awards to report todate.
One club has gone to recess and might close and a 2nd club is trying to re-establish itself in Hamilton.
The number of clubs going hybrid is increasing slowly. The more support the clubs receive, the better the chance of success ahead.

A division handover is planned for 24.6.22 to introduce new ADs and DD with appropriate paperwork.
