Support

Club Coaches - what clubs have a coach appointed, and what clubs still need a coach appointed?

MARC although Alastair Priestley is a member would benefit from a club coach. Orion (as per my comments below)

Club Support – what clubs would benefit from additional support, and what support is required?

Toast of Broadway want more members from other clubs to do educational speeches. Not sure about Twilight talkers and 2 degrees. I am visiting CBD next week, they seem to be in good

spirits. Orion worries me. They are online only which is never conducive to attracting new members. I have spoken to the President and want to transition from a corporate club into a community club (renamed Grafton) meeting at lunchtimes across the road from Orion Health. Management have withdrawn their support from this club.

New Clubs – Prospects, leads, clubs in formation

What is the progress, and what support is needed?

None that I am aware of. I am resigned to the Division being ineligible for the Division Success Plan this Toastmaster Year but it doesn't bother me. Maybe my successor will have better luck once the clubs with no members are struck off. Technically will follow them – they are in hiatus they told the Area Director.

Division Events

What events have been held, and what feedback have you received?

For example – COT, Area or Division council meetings, Area or Division contests, workshops etc

I had a Division Council meeting last weekend with all the Ads present. They thought that it was good to meet in person and we exchanged good ideas and they reminded me that I will need not one but two zoom masters for the area contests below.

What events are being planned, e.g., club anniversaries, DTM awards etc.?

Combined area contests on September 24th

Challenges

What challenges is the Division facing, and what potential solutions/assistance is needed?

Issues	Solutions
There was a boom period in the District with many new clubs being formed now we are going through the bust period.	Acceptance that this TM year will be one of consolidation for the Division.
