“The District Mission as defined by Toastmasters International is: “We build new clubs and support all clubs in achieving excellence.

The District Vision for 2022-2023 is create value for members, the strategies implemented will support ***reconnecting, retaining, and rebuilding clubs*** *in communities and businesses to enable more New Zealanders to experience the benefits of becoming a toastmaster.*

The goal is to be a ***Select Distinguished District****.*

Final Budget

Attached is our final budget for the 2022-2023 year. We have been directed by the Protocol 8.4 – Section 4C, whereby a District cannot budget to recognise a loss for the year.

District funds are to be used to support the District mission. District officers are required to use funds effectively according to the District Success Plan, as well as Toastmasters Policy and Protocol. Expenses shall be incurred according to the following priorities:

I. Education and Training

II. Marketing outside Toastmasters

III. Club growth and club retention

IV. Membership growth and membership retention

V. District communication and public relations

PART 2 THE NARRATIVES

The following are questions from Toastmasters International and the District's Answers

MEMBERSHIP REVENUE $83,216

Q *What are the District's goals for the year regarding membership? Since these numbers are based on the prior year's actual totals, what strategies have changed or remained the same compared to last year to ensure this budgeted revenue is met?*

A **Reality – Current Situation**
D112 has twenty fewer paid clubs than 2021.
Club payments 4,981. The number of dual members has decreased.
The club base for 2022 - is 143 clubs,
51% of clubs have fewer than 12 members.

As it is not realistic to appoint a club coach for all of these clubs. The focus for 2022-2023 is to support clubs with a Club Support Team, who will work with the ADs to individualise strategies specific to the club needs in marketing, online presence, pathways etc.

Marketing and membership building campaigns will be conducted at a district and division level.

CONFERENCE / NET INCOME $0

Q *What city will they be held in? If conferences are not budgeted to net zero, explain why. What is the profit for? How do you justify the loss? How many attendees are you budgeting for and at what cost each? About how much will the tickets cost per registrant? How much are the venues budgeted to cost? Did the prior term pay any expenses or receive any revenue for these conferences?*

A The District conference will be held in person in South Auckland, Karaka Pavilion, over two days 6-7 May 2023. The district executive meeting will be online on 28th April 2022. The district candidates showcase session, and council meeting will be online on 29th April 2022.

The committee are planning three speech contests on Saturday, dinner and dance Saturday night, theme top and tales. Workshop and international speech contest will be held on Sunday.

FUNDRAISING $0

Q *How many events will be held? What is each event for? What will the funds received be used for?*

A There are no scheduled fundraising activities for the District.

DISTRICT STORE $0

Q *Does the District have a District Store? If not, why? Are all the costs from Toastmasters products? If not from WHQ what are the other costs? When is the district store available to members? Are all the costs from Toastmasters International products? If not from World Headquarters, what are the other costs? When is the District Store available to the members?*

A The District does not operate a District Supplies store.

The District will be reviewing options of local suppliers for some items, subject to approval from Toastmasters International.

A The focus for the district is to provide quality training for club officers and district officers. Training dates were set and advertised on the district calendar early.

In person strategy and planning meetings held end of May each year. This enables the incoming and outgoing district team to complete their handover and contribute to the strategy and district success plan for the upcoming year.

Club officer training for round one four sessions for brand new officers and four sessions for advanced officers for the first time this year. Positive feedback received. Round two training will be a different format than past years, these sessions will start November.

SPEECH CONTESTS $8,200

Q *What is the focus for your district? What events are planned? What is being done differently or the same as last year?*

A The district executive agreed to hold speech contests as hybrid contests for area, division, and district contests. The challenge is finding suitable and inexpensive venues. The cost of hiring venues has increased over the last 12 months.

Assumptions – that many of the divisions have combined area contests where practical (see D112 calendar). Not all costs are known and average of $25 per hour has been used for the calculation of the budget.

Budget allowance for this category has been exceed by 5%. The finance manager will contact TI WHQ.

A The Administration cost centre captures all the expenses for running the District e.g. subscriptions, zoom accounts, mail chimp etc.

FOOD AND MEALS $3,560

Q *What is the main focus for your District? Are there any maximums for your District to keep food and meal costs at a minimum? Who is budgeted to be reimbursed for food and meals? What events are being budgeted to be reimbursed for food and meals? What is being done differently or the same as last year?*

A There has been an allowance for each of the trio District officers to cater for the Division Conferences they attend and other similar district events at the end of the toastmaster year.
