Club Support – what clubs would benefit from additional support, and what support is required?

Devonport Esplanade Toastmasters Club (1477740) – From the previous report it appears that this club has declined a Club Coach. Perhaps one of the Trio could make contact and try to ascertain why they aren't open to it.

We were unsure as to what should happen with Belmont Club in the last report but some of the members are still working hard to keep the club going. Elizabeth is working hard to keep the club going.

New Clubs – Prospects, leads, clubs in formation

What is the progress, and what support is needed?

Whenuapai Air Base – Still an ongoing opportunity. No update as yet.

Challenges
What challenges is the Division facing, and what potential solutions/assistance is needed?

Issues	Solutions
Although many of the clubs are still low in their membership I'm excited to see movement and I think given time and just keeping in touch with the clubs, we will see many of our clubs come back to life.	1. Social media promotion from the District. 2. Getting someone who understands social media to train clubs on how to promote their clubs. 3. Promoting more interclub support and fellowship. Perhaps even extending that support across the District 4. Showing club that they are not alone and that we are all here to help.
