Support

Club Coaches – what clubs have a coach appointed, and what clubs still need a coach appointed?

Talk of the Town have a club coach appointed – David Rei Miller. However they have lost 6 members in last 4 weeks before renewals...all for valid reasons. They have renewed the minimum (2) to keep the club in hiatus while we try to rejuvenate the club
Speaking of Levin have not renewed any members as at 30th September.

Club Support – what clubs would benefit from additional support, and what support is required?

8 of 15 clubs have low membership, 4 of whom do not want a club coach.

New Clubs – Prospects, leads, clubs in formation

What is the progress, and what support is needed?

Ohakea is on hold for a few months due to resignation of GM

Will be looking at the possibility of a new club in a new venue in Levin to fill the void left by the demise of Speaking of Levin.

Division Events

What events have been held, and what feedback have you received?

For example – COT, Area or Division council meetings, Area or Division contests, workshops etc

1st round Area contests & Division Contest have been completed. Positive feedback from those who attended. However there is a lot of apathy from clubs and members regarding contests in general R1 contests – 3 of 5 clubs represented. R2 contests – 1 of 4 clubs represented, R3 contests – 4 of 6 clubs represented

What events are being planned, e.g., club anniversaries, DTM awards etc.?

Once the Triple Crowns have been received for last 2.5 years, I will be arranging presentations by Ads to recipients

Will be organizing Pathway workshops, both Level 1 specifically as well as for L3,4,5

Challenges

What challenges is the Division facing, and what potential solutions/assistance is needed?

Issues	Solutions
Lockdown and Online has caused a lot of apathy in general	Reinforcing F2F meetings but also encouraging hybrid meetings to enable constant attendance
A number of clubs have declined assistance to grow their numbers because they are happy with their current situation	We can lead a horse to water, but we cannot force the horse to drink I will be focusing on those clubs who are positive in growing their club
The same clubs as always who do not participate outside the club environment by way of COT, contests etc (Fielding, DriRemarks, Dannevirke, Bay City)	We can only improve our training as much as we can and keep them advised of progress. Again we cannot force these clubs to step outside their own insulated environment
