Murcus Bristol K5 has completed all of his visits, but is overdue with his reports – he is busier than expected in Sydney. Kitty Zeng K4 has completed her club visits and two reports to be completed, she will get it done next weekend. Christiaan K3 has completed two visits and has confirmed two more for October.

Division Events

What events have been held, and what feedback have you received?

For example – COT, Area or Division council meetings, Area or Division contests, workshops etc

Division K Conference on 1st of October 2022 was a huge success. We had a great turnout both in person and online. Richard from the trio attended to present the awards. I really enjoyed this event and would like to acknowledge my awesome team of Area Directors; they contributed their time and expertise.

What events are being planned, e.g., club anniversaries, DTM awards etc.?

To be advised

Challenges

What challenges is the Division facing, and what potential solutions/assistance is needed?

Issues	Solutions
Highlighting - we have an issue with K5 which will be losing 3 Clubs Rosedale, Long Bay, Dial Up.	Marcus has been busy trying to save these clubs but to no avial. As part of his reports, he will be sending the information directly to the trio to see if they want to do anything.
Kaitaia only has 6 members and is in recess until Feb/March.	
Some of the club member numbers are incorrect at the time of this report.	I should have more info by the 5th November 2022.
