**Support**

Club Coaches - what clubs have a coach appointed, and what clubs still need a coach appointed?

MARC although Alastair Priestley is a member would benefit from a club coach. Orion (as per my comments below)

Club Support – what clubs would benefit from additional support, and what support is required?

In the report above I have put in brackets the membership numbers from my last report. Eden-Epsom and Auckland TM have experienced a big loss in numbers and I will visit both to see if

there are any issues or whether they are confident of resuming normal service. Orion worries me (even more than last report). They are online only which is never conducive to attracting new members. I have spoken to the President and want to transition from a corporate club into a community club (renamed Grafton) meeting at lunchtimes across the road from Orion Health. Management have withdrawn their support from this club.

**New Clubs – Prospects, leads, clubs in formation**

What is the progress, and what support is needed?

None that I am aware of. I am resigned to the Division being ineligible for the Division Success Plan this Toastmaster Year but it doesn't bother me. Maybe my successor will have better luck once the clubs with no members are struck off. Technically will follow them – they are in hiatus they told the Area Director.

**Division Events**

What events have been held, and what feedback have you received?

For example – COT, Area or Division council meetings, Area or Division contests, workshops etc

The area contests and conference for the second half of 2022 (first half of 2022/23 TM year) have been concluded. Online attendees for the latter were unhappy at the audio and quality issues which were resolved when using someone's mobile phone and laptop for Wifi instead of the Council.

A Division Council meeting will be held on 31st of this month.

What events are being planned, e.g., club anniversaries, DTM awards etc.?

The area contests and conference for the first half of 2023 (latter half of 2022/23 TM year) are on the Division radar.

**Challenges**

What challenges is the Division facing, and what potential solutions/assistance is needed?

| Issues | Solutions |
|---|---|
| There was a boom period in the District with many new clubs being formed now we are going through the bust period. | Acceptance that this TM year will be one of consolidation for the Division. |
| AD official visit reports may identify issues. | |

|---|---|
| MARC does not appear on the TMI site as far as the District Reports are concerned. The club assures that that they do exist and have not cancelled their charter. I recognise their existence for the purposes of this report even if TMI does not. | MARC to correspond to TMI who will confirm that is a technical error or require them to send the signed applications of their eight members. It puzzles me as to why they were written off instead of being suspended. |
