Support

Club Coaches - what clubs have a coach appointed, and what clubs still need a coach appointed?

MARC would benefit from a club coach similarly Orion. Onehunga have requested a club coach.

Club Support – what clubs would benefit from additional support, and what support is required?

Wake Up Communicate confirmed that their numbers will drop to 6. Their current area director is supporting them they tell me. Hopefully Auckland West Toastmasters will support them by sending members to speak and fill roles at their meetings. A return to their Kelston venue will

help they also tell me. Daybreak will have 8 members after renewals are processed, Onehunga 7, Orion 7 too. This is due to experienced members deciding to retire. I have already mentioned Wake Up Communicate (6) Renewals may see a drop in numbers although CBD and Twilight Talkers which have low numbers are okay, the area director tells me. Nevertheless the incoming division director should have them on his radar. Mt Albert who I was concerned about are reviving. According to TI they have 17 members but that will reduce to 14 I was told. Auckland TM similarly have 27 but that will reduce to 24 they tell me. The other numbers in this report are as per the TI website, and not up to date.

New Clubs – Prospects, leads, clubs in formation

What is the progress, and what support is needed?

None that I am aware of.

Division Events

What events have been held, and what feedback have you received?

For example – COT, Area or Division council meetings, Area or Division contests, workshops etc

Division M conference was held on the 18th of last month. Auckland Toastmasters celebrated their 60th anniversary yesterday.

What events are being planned, e.g., club anniversaries, DTM awards etc.?

Challenges

What challenges is the Division facing, and what potential solutions/assistance is needed?

Issues	Solutions
There was a boom period in the District with many new clubs being formed now we are going through the bust period.	Acceptance that this TM year will be one of consolidation for the Division.
AD official visit reports may identify issues.	
The corporates clubs would benefit from belonging to the same area, and a director who encourages them to work together and support each other.	Realignment report be adopted.
