Support

Club Coaches - what clubs have a coach appointed, and what clubs still need one?

Unfortunately, there are not enough club coaches to support the clubs that have membership fewer than 12 members.

Club Support – what clubs would benefit from additional support, and what support is required?
Area directors have been completed for two areas and provide good information on the club's performance.

Additional support for clubs would be beneficial. There is an opportunity to work with the trio and the club support team on creating individualized plans for clubs.

New Clubs – Prospects, leads, clubs in formation. What is progress, and what support isneeded?
Whenuapai Air Base – no further progress at this stage

Division Events
What events have been held, and what feedback have you received?
For example – COT, Area or Division council meetings, Area or Division contests, workshops etc
Area conferences were successfully held for International and evaluation contests in March. Combined Division L & N conference held in April. We were lucky enough to have Wendy & James as our Trio representatives attend.

Elizabeth – AD L4 has reported that she has confirmed 2 speechcraft courses, with 10 participants each. She is working on a 3rd.

June is a membership drive for Belmont Club.

What events are being planned, e.g., club anniversaries, DTM awards etc.?
None have been advised at this stage.

Challenges
What challenges is the Division facing, and what potential solutions/assistance is needed?

Issues	Solutions
Membership continues to be a challenge.	Help clubs promote themselves. Encourage club executives to work with the club support team program

Further noted.
- **Realignment of Auckland Advanced. Recommendation to realign from L2 to K5. Toni Sharp discussed this with the club and they are happy to move.**
