Challenges

What challenges is the Division facing, and what potential solutions/assistance is needed?

Issues	Solutions
Several corporate Clubs have experienced layoffs which have severely affected membership numbers in these Clubs.	Continue to support these Clubs and offer Area, and District support.
University Clubs (Varsity, Biztalk, Ingenio) have been significantly impacted due to Covid/Lockdowns and a huge reduction in overseas students.	Continue communicating with these Clubs to offer support.
Overall decrease in membership across a significant number of Clubs.	Increased focus on member retention and building and supporting current Clubs. District support to ensure Clubs are thriving and members needs are met. Pathways Champions, COT that meets corporate Club needs, Educationals, increased linkage of Toastmaster goals to member goals. Answering the “what’s in it for me” question for members.
