Support

Club Coaches - what clubs have a coach appointed and what clubs still need a coach appointed?

- Moturoa Toastmasters Club
- Naumai South Taranaki Toastmasters Club
- Stratford Toastmasters

- A brief breakdown from the previous Division P Director.There is no report of these club having a club coach, but beneficial for the clubs who have less than 12 members.
- There is a suggestion that we contact the Club president of those clubs and see if they would like to have a Club Coach. Remember we can only offer this to the clubs. It is up to the clubs to take it or not.

Club Support – what clubs would benefit from additional support and what support is required?

Moturoa Toastmasters Club
Hamilton Central Essential Toastmaster Club
Naumai South Taranaki Toastmasters Club
Straford Toastmasters Club

After having a discussion with the previous Division P director, the feedback given to me on this section is as follows;

"All clubs would benefit Division level promotional strategy. Financial assistance for public relations activities may be sought by Stratford, Naumai, Moturoa, New Plymouth, Te Awamutu, Training and Coaching Online, Wired for Sound."

It is suggested that more advertising and promotional material is needed for the clubs, as well as assisting them with social media presence. We encourage the clubs to go to local businesses, schools and local marketplaces to promote their clubs. Also, it is a suggestion to utilise the resources of the venue. For example, venues tend to have TV screens around to help advertise certain events, using notice boards and talking to local groups.

The financial assistance for public relation activities. This more for the social media side to help promote the clubs within the area. There is a cost to boost the Facebook page to help generate more leads. This District usually offers $50 to clubs to help them with social media presence and boosting. However, there are other avenues that can be used without cost such as Instagram, LinkedIn, and Meet up (possible cost) and Tik Tok.

New Clubs – Prospects, leads, clubs in formation

What is the progress and what support is needed?

- Potential to look at having Corporate Clubs in the Division.
- Look into having Speechcraft and Youth Leadership Conferences. Something that clubs may like to lead within 2023-2024.

Challenges

What challenges is the Division facing and what potential solutions/assistance is needed?

Issues	Solutions
Two clubs within the division is suspended. However, one club is reinstated. Currently Hamilton Central Essential is still running, however they are still suspended. Currently having 11 members to date.	Contact with the Area Directors to see how the clubs are doing and see if there any assisted they need from District high table. Also, contact District High Table to look into the suspension of Hamilton Central Essential, and see what is needed to reinstate them.
Two clubs on P2 are hybrid clubs but currently doing at a person's home. Possibility cost may be the issue	Work with the two hybrid clubs to find a venue for their meetings. Have an honest conversation on why they do not have a venue to do physical meetings. Area Director could look into this and add some support to this.
Holding Division conference may be an issue due to the clubs within Area P is spread out.	It is suggested by the previous Division Director to have the conference in the middle to make travelling easier. Suggestions of place is either Mokau or Te Kuiti, as distance of drive is roughly an hour and a half or longer.
