Support

Club Coaches - what clubs have a coach appointed, and what clubs still need a coach appointed?

As of now, we are still waiting to receive requests from the clubs. However, our team is always ready and willing to assist whenever needed. Rest assured that we are here to support the clubs in any way possible.

Club Support – what clubs would benefit from additional support, and what support is required?

Club support is required for the clubs that still need to complete their DCP Educational goals despite having enough members. Our collaboration with the clubs is currently in progress.

New Clubs – Prospects, leads, clubs in formation

What is the progress, and what support is needed?

I wonder whether new clubs can become part of this Division.

Challenges

What challenges is the Division facing, and what potential solutions/assistance is needed?

Issues	Solutions
Despite having sufficient members, certain clubs have yet to fulfil their educational DCP objectives.	Our ADs proactively engage with club officers and members to pinpoint concerns and motivate them to finish their paths. My scheduled meeting with the officers is set for August 26th.
