### Support

Club Coaches - what clubs have a coach appointed, and what clubs still need a coach appointed?

O3 Good Vibes & Howick have coaches assigned.  
 14 out of 20 Division O clubs now qualify for a coach.  
 The AD's have spoken to most of their clubs and conveyed that **they need to indicate** if they want to have a coach.

**Club Support – what clubs would benefit from additional support, and what support is required?**

Promotion of Toastmasters and how to find a club near you & educational training for clubs (as a whole not just the club exec). Further details in Issues/Solutions below.

**New Clubs – Prospects, leads, clubs in formation**

What is the progress, and what support is needed?

No new clubs pending at this stage. One potential but is depending on how well a Speechcraft (for the Streams Community Church) that is being run within the Division goes first.

**Division Events**

What events have been held, and what feedback have you received?

For example – COT, Area or Division council meetings, Area or Division contests, workshops etc

Area Director visits are half complete - on track for the end of November deadline.  
 First round of Area Contests are complete and ran reasonably successfully, all in the one day.  
 Next round of Club, Area & Division contests/conference are already being mapped out.

What events are being planned, e.g., club anniversaries, DTM awards etc.?

Division O conference on the 4th November.  
 COT round 2 is fast approaching.

**Challenges**

What challenges is the Division facing, and what potential solutions/assistance is needed?

<b>Issues</b>	<b>Solutions</b>
Both clubs with low membership are struggling as well as previously strong clubs	In Addition to my previous comments (on this topic) around support from neighbouring clubs - members should be looking at encouraging friends, family & work colleagues to come along and see what Toastmasters is all about - however their visit needs to be engaging, structured and educational which leads to the next point... Perhaps also with a District wide campaign?
Some clubs have lost some of their more seasoned members and although they have the numbers, they are lacking experience	Educational presentations are ideally the way to go but it's hard to do at a club level without the experience - perhaps the District could hold some online sessions and promote them.
