Some clubs needed coaches, but we got no requests for the low-membership clubs.

Membership is becoming an issue for some of the clubs. ADs are working with clubs to solve the issue.

New Clubs – Prospects, leads, clubs in formation

What is the progress, and what support is needed?

I don't know if it is possible for new clubs in this Division.

Challenges

What challenges is the Division facing, and what potential solutions/assistance is needed?

Issues	Solutions
Membership seems to be becoming an issue-Geyser Gourmet Club	Talk to ADs and club offices to discover the problems and encourage members to complete their paths.
Kawerau Toastmasters Club is very close to closing down due to low membership.	AD Invited Program Quality Director Richard Perkins to their next regular meeting. Richard has had an ongoing relationship with the club over many years, and I hope that between us, we can provide the support the club members need to work their way through the situation they are in.
Some clubs haven't completed educational DCP goals despite having enough members.	ADs explain the importance of pathways and encourage them to use them.
