Support

Club Coaches - what clubs have a coach appointed, and what clubs still need a coach appointed?

I have not been advised of any Club Coaches being appointed.

Clubs eligible: Havelock North and First City

Others noted as 'need coaches' in TI District Summary Report: Feilding, Bay City, PN Advanced and Dannevirke.

Club Support – what clubs would benefit from additional support, and what support is required?

There are several clubs that seem to have some good membership numbers but their DCP goals do not seem to be a priority. I am not sure how we go about encouraging them to pursue their DCPs without feeling like we are nagging or scolding them.

New Clubs – Prospects, leads, clubs in formation

What is the progress, and what support is needed?

Division Events

What events have been held, and what feedback have you received?

For example – COT, Area or Division council meetings, Area or Division contests, workshops etc

All three Area Days were completed and had good results. Each Area has two contestants each moving onto the Division contests.

What events are being planned, e.g., club anniversaries, DTM awards etc.?

COT Round 2 – notification emails have been distributed for the upcoming sessions in November/December. A reminder will be sent out in the next few days.

Division R Conference Day – 4 November 2023 – as of today 35 people registered to attend in Palmerston North. Two contests (TT & Humorous) plus two short workshops and some food/drinks. It should be a good day!

Pania Toastmasters will be turning 40 on 28 June 2024.

Challenges

What challenges is the Division facing, and what potential solutions/assistance is needed?
