Support

Club Coaches - what clubs have a coach appointed, and what clubs still need a coach appointed?

<p>Clubs with coaches:</p> <ul style="list-style-type: none"> - Sunnynook Toastmasters: Marcus Bristol <p>No other Division K Clubs currently have a coach, but the following would benefit from one (in order of need):</p> <ul style="list-style-type: none"> • Hibiscus Coast • Orewa Lunchtime • Toastmasters at Kristin • Riverhead Toastmasters <p>The AD's are working with the clubs that qualify for a coach to help generate interest.</p>

Club Support – what clubs would benefit from additional support, and what support is required?

All Area Contests and the Division Conference for round one are now complete.

Clubs are starting planning for their round two of contests.

Area 1 - Gavin Lamb

Most of the club visits are complete, but no reports have been submitted as of yet. I'm meeting Gavin next week to provide assistance.

On Top are struggling for members, even with the marketing they've been doing. I will speak with them directly to see what further assistance we can provide.

Area 3 - Murray Coutts

All club reports have been submitted.

A couple of clubs have low numbers, but Murray is working directly with them to either provide support himself, or to advise them to request a club coach.

Silverdale-Orewa Toastmasters has achieved the 5 stars award

Riverhead have unfortunately lost a lot of members after the September renewal. They were discussing requesting a club coach, and now that their numbers have dropped I believe they qualify.

Area 4 - Helen Madden

Helen has come up to speed very quickly after her late introduction to the role. She has completed the majority of her club reports, with just Kristin remaining (they don't meet during school holidays which has caused a delay).

Academic have lost a lot of members, but this was anticipated (being a university club). However they have achieved the 5 stars award.

East Coast Bays are planning to have achieved the award before the end of the year.

Sunnynook, while energetic, are still struggling. They have started meeting their coach, but are still to implement changes.

New Clubs – Prospects, leads, clubs in formation

What is the progress, and what support is needed?

No new clubs pending at this stage

Challenges

What challenges is the Division facing, and what potential solutions/assistance is needed?

Issues	Solutions
Decreasing membership numbers	There is still a general trend that membership numbers are declining and we've just seen the impact of that with the recent renewals. There are discussions about club promotions, including speechcrafts
