Support

Club Coaches - what clubs have a coach appointed, and what clubs still need a coach appointed?

O3 Good Vibes, Howick & Pakuranga have coaches assigned.
 11 out of 20 Division O clubs now qualify for a coach.
 The AD's have spoken to most of their clubs and conveyed that **they need to indicate** if they want to have a coach.

Club Support – what clubs would benefit from additional support, and what support is required?

As I have previously identified, I still believe that promotion of the Toastmasters Brand along with how to find a club near you - will help the struggling & depleted clubs get more feet in the door.
Also providing more online educational training sessions (or recorded sessions) would help those clubs challenged by the lack of experience in their clubs.

New Clubs – Prospects, leads, clubs in formation

What is the progress, and what support is needed?

No new clubs pending at this stage.

Division Events

What events have been held, and what feedback have you received?

For example – COT, Area or Division council meetings, Area or Division contests, workshops etc

Area Director visits are a quarter done - all on track for the end of May deadline.
All Area & Division contests/conferences are complete. Trophies have been engraved and distributed to the winners. They all ran successfully well, thanks to a great planning team and the gracious support of other Divisions.

What events are being planned, e.g., club anniversaries, DTM awards etc.?

No events pending at this stage, other than the upcoming District conference.

Challenges

What challenges is the Division facing, and what potential solutions/assistance is needed?

Issues	Solutions
Membership is down across the Division	Clubs could review the methods they are using to attract new members. Perhaps incorporate the Agile methodology used at West Harbour Toastmasters
(Paired with the issue above) We are lacking experience in some of our clubs	District could run (& publicise) a series of Zoom sessions on how to manage challenges the clubs are facing, some best practices & strategies that would be effective and where to get support on different issues.
