

Toastmasters District 112 Realignment Committee Report 2024

Each year Districts are required to review and, if necessary, amend the alignment of clubs, areas and divisions within their boundaries. This review takes into consideration the geography and demographics of the district, growth opportunities and the Toastmasters International Policy requirement that each area has between four and six clubs.

This report incorporates the feedback into the proposal and is for consideration by all members of District 112. It will be voted on at the District Council meeting on 4 May 2024.

Report Structure:

This report:

- provides background to the need to realign clubs, areas and divisions.
- contains a list of clubs showing current and proposed areas and divisions.
- contains lists of clubs by current and proposed area for each division.

- District 112 has a base of 109 paid clubs of which 89 are in good standing. These are spread across 8 divisions.

- Clubs meeting online should be able to move from their current areas.

Proposed changes:

- Realign Division P Areas P1, P2, P3 & P4 (area P5 ceases)
- Realign Division N Areas N1, N2, N3 & N4 (area N5 ceases)

If approved by the District Council, this structure will apply from 1 July 2024 to 30 June 2025.
