Support

Club Coaches - what clubs have a coach appointed, and what clubs still need a coach appointed?

Clubs with coaches:

- Sunnynook Toastmasters: Marcus Bristol

Club Support – what clubs would benefit from additional support, and what support is required?

100% of club visits have been completed and reports submitted

- Note that Sunnynook was visited, but the report was unable to be completed because they're currently in a suspended state. Unfortunately this is showing as 80% completed on the dashboard.

Area 1 - Gavin Lamb (Elect: Jeannet Penney)

On Top have stopped meeting, and one member has transferred to Bay of Islands. They haven't officially closed with the hope that they'll be able to relaunch it later in the year. The other clubs in Area 1 are strong, including Bay of Islands that is currently lower on members.

Whangarei Toastmasters Club has achieved Select Distinguished.

At this stage it doesn't look like any of the other clubs will reach distinguished status.

Area 3 - Murray Coutts (Elect: Sonley Johnstone)

Owera Lunchtime has closed (suspended) and some members have transferred to other clubs. The other clubs in the area are doing well, with Murray's support.

Hibiscus Coast Club has achieved Distinguished status.

Silverdale-Orewa and Riverhead are very close to being distinguished, and Murray is assisting them where possible.

Area 4 - Helen Madden (Elect: TBC)

This is generally a very strong area and most of the clubs have achieved their DCP goals. Sunnynook, while energetic, has now been suspended. However we are very close to satisfying the requirements needed to get them reinstated again, and are hoping to do this before the end of the TMI year.

East Coast Bays, Academic, and Albany have all achieved Presidents Distinguished! 🎉

At this stage Kristin is unlikely to, and Sunnynook understandably isn't interested until they're reinstated.

I want to give a huge shout out to the three Area Directors in Division K - they have been outstanding.

New Clubs – Prospects, leads, clubs in formation

What is the progress, and what support is needed?

No new clubs pending at this stage

Challenges

What challenges is the Division facing, and what potential solutions/assistance is needed?

Issues	Solutions
Decreasing membership numbers	There is still a general trend that membership numbers are declining and we've just seen the impact of that with the recent renewals. There are discussions about club promotions, including speechcrafts
