Support

Club Coaches - what clubs have a coach appointed, and what clubs still need a coach appointed?

O3 Good Vibes, Howick & Pakuranga have coaches assigned.
 10 out of 20 Division O clubs qualify for a coach.
 The AD's have spoken to most of their clubs and conveyed that **they need to indicate** if they want to have a coach.

Club Support – what clubs would benefit from additional support, and what support is required?

No changes from the last Div O report - as previously identified, the promotion of the Toastmasters Brand along with how to find a club near you - will help the struggling & depleted clubs get more feet in the door.
Also providing more online educational training sessions (or recorded sessions) would help those clubs challenged by the lack of experience in their clubs.

New Clubs – Prospects, leads, clubs in formation

What is the progress, and what support is needed?

Xero is nearly there - just finalising forms

Division Events

What events have been held, and what feedback have you received?

For example – COT, Area or Division council meetings, Area or Division contests, workshops etc

Area Director visits were completed and reports submitted before the end of May. Most of the clubs are on track with a few needing further assistance - these have been directed to the Trio. Next task is for the ADs to advise the clubs of the upcoming Club Officer Training and the fast approaching first round of Club Speech contests.

What events are being planned, e.g., club anniversaries, DTM awards etc.?

No events pending at this stage, other than the upcoming District conference.

Challenges

What challenges is the Division facing, and what potential solutions/assistance is needed?

Issues	Solutions
Membership is down across the Division	Clubs could review the methods they are using to attract new members.
(Paired with the issue above) We are lacking experience in some of our clubs	District could run (& publicise) a series of Zoom sessions on how to manage challenges the clubs are facing, some best practices & strategies that would be effective and where to get support on different issues.
