Support

Club Coaches - what clubs have a coach appointed, and what clubs still need a coach appointed?

Ellerslie Sunrise Toastmasters Club has requested two club coaches. Mike Diggins DTM, Jilnaught Wong DTM, Peter Chatteris, and AD Steven Cui are supporting this club; however, none of them have been officially assigned to them yet.

Based on the dashboard status, the clubs below need a club coach appointed; however, no other club apart from Ellerslie Sunrise Toastmasters Club has requested this despite a reminder.

Club Support – what clubs would benefit from additional support, and what support is required?

Pohutukawa Coast Toastmasters Club had planned a BBQ with drinks before one of their normal meetings as a membership drive in the Beachlands area. Two guests attended despite a good response to the email invite.

I think PR activities such as posting group photos, winners, and member induction posters on social media, as well as guest invitation posters in community halls/supermarkets, will benefit. For this, I think support from D112 PRM to the Club VPPRs may help.

New Clubs – Prospects, leads, clubs in formation

What is the progress, and what support is needed?

Xero New Zealand Toastmasters Club is officially formed on 1st Oct 2024.
I see two prospective clubs under my login:

- Auckland New Zealand Pros Club and
- Hobsonville Toastmasters

Also, I see four leads under my login; however, I am not sure if this is still active.
Pending Intro Meeting:

- Charles Wilding
- Cleo Shortland
- Mabel Fernandes

Pending application:

- Erica Richardson

I will contact the assigned owners and try to get some more details to close these leads and prospective clubs.

Division Events

What events have been held, and what feedback have you received?
For example – COT, Area or Division council meetings, Area or Division contests, workshops etc

- COT 1 has been organized in person and online. The club officers were contacted over email and WhatsApp to achieve at least 4 out of 7 attendees. We also motivated clubs to achieve 7 out of 7 COT1 attendees. There was a good response.
- Division council meetings have been organized three times so far, one in person and two over Zoom. All of these meetings had 50% attendees.
- A club contest rule book changes workshop has been promoted within the division to understand the club contest changes during this contest season. Some of the Div O members attended it.
- MasterClass program for the Club Coaches has been promoted and conducted well. A few interested and trained Club coaches from Division O attended it.

- Club contests for most of the areas will be over by mid-September, and then Area contests will start. The division contest is planned for 19th Oct.

What events are being planned, e.g., club anniversaries, DTM awards etc.?

No special events are planned. D112 Award Night is on 21st September. Two DTM Awards recipients from Division O will be celebrated again.

I have contacted Div O members to see if they are interested in buying 100th-anniversary pins and apparel; 6 of our members have shown interest, and the order has been placed. We are expecting the items on 2nd September.

Challenges

What challenges is the Division facing, and what potential solutions/assistance is needed?
