1. Call to Order and Welcome

District Director (DD) Richard Perkins called the meeting to order at 1:00 pm and asked Zoom Master Troy Smith to record the meeting.

DD Richard instructed online attendees how to label themselves and confirmed the procedures for this meeting.

2. Quorum

DD Richard extended speaking rights to PDDG Murray Coutts as District Parliamentarian (DP) and asked him to confirm a quorum was present.

DP Murray

This is a District Executive Committee Meeting. A quorum for an Executive Committee Meeting is the majority of its members.

At this stage only those District Officers approved by the May District Council, constitute a quorum. The Quorum will be revisited after item 10.1 on this agenda.

The Executive currently has **6** senior officers, **3** Division Directors, and **11** Area Directors making a total of **21** members. A quorum is therefore **11** members.

DP Murray confirmed there were **15** members present and we did have a quorum.

3. District Mission

PQD Marlene Read the District Mission Statement.

“The mission of the District is to build new clubs and support all clubs in achieving excellence”.

Area Director Q2	Chareza Fourie
Area Director R1	Sheryl McGrath
Area Director R3	Peter Drew

Since the list was published DD Richard had also made the following appointments.

Area M3 Director Manuela Garcia

Motion:

"That District Officers appointed at the District Council move and second the motion to approve these appointments"

Moved: Div R Meegan Herewini
Seconded: AD N2 Jerry Jacob

The motion was adopted.

DD Richard indicated that since the membership of the District Executive had increased it was necessary for the Parliamentarian to confirm that a quorum was now present.

DP Murray

This is a District Executive Committee Meeting. A quorum for an Executive Committee Meeting is the majority of its members.

The Executive currently has **7** senior officers, **8** Division Directors, and **29** Area Directors making a total of **44** members. A quorum is therefore **22** members.

DD Richard, I can confirm that there are **34** of those members present, and **you do have a quorum**.

Item 10.2. New Club Allocations

DD Richard advised that since the May District Council Meeting there had been two new clubs charter.

These Clubs were allocated to:

- Area L4 College Hill Toastmasters (NZ Police)
- Area O3 Xero Toastmasters

Motion:

"**That the District Executive Committee approves the club allocations as listed"**

Moved: PQD Marlene Krone
Seconded: IPDD James Hippolite

The motion was adopted.

11. Finance

DD Richard confirmed the final financial statement for the previous Toastmasters year will be presented to the September Executive meeting, as some of the June expense claims may be received up until the end of this month.

For information only, the District Profit and Loss Report for the period 1 July 2023 to 31 May 2024 was published. It was reiterated that **this is an interim report**, and some figures may change they include:

- Expense claims from June and
- June items advised by WHQ such as the June membership income. Usually, we don't get that until very late in July.

Consequently, there was no need to receive or approve this report.

IPDD James informed us all that TI made a transfer of part of the Conference revenue to a balance sheet account called "Deferred Revenue" of $24,708.95.

IPFM Bruce has asked them to reverse this.

It should be sorted in the June 2024 accounts.

Finance Manager

As mentioned by DP Murray the financial statement for the last year will take some time.

The issues are:

- The District Audit Committee need to do their work.
- Because the District is a registered charity, a financial statement is required which meets New Zealand law. This is more detailed than the one for WHQ, and they need to provide us with information that other districts don't require.
- Last year's Trio needs to advise the outcomes from the objectives that they put in their District Success Plan.

Key things for District Officers to note and if necessary, remind last year's District Officers of, are June 30 is the cutoff date for any expense claims relating to the 2023/24 year. Claims received after that date are unlikely to be paid.

Division Assets Handover reports are due to Bruce by 7th July 2024.

The District officers travel criteria. Travel is the most difficult area to calculate in the district Budget.
Part of that process is reviewing the travel policy. Once that is done the 2024-25 policy will be published on the website and advised to District Officers. There are some changes, but these don't affect Division or Area Directors.

FM Warrick presented the Final Financial Report from Taupo Conference

Motion:

"That the final financial report from the Taupo conference be received"

Moved: AM Toni Sharp
Seconded: Div R Meegan Herewini

The report was open for discussion.

PQD Marlene congratulated the Conference committee on a job well done.

The motion was adopted.

12. District Director's Report.

DD Richard presented his report with the following updates:

Richard shared his vision for D112 in this year. He expanded on the vision of membership growth with the marketing and advertising intentions of the team.

In his report he made a recommendation regarding the speech contests to be run this year. The Executive is required to endorse this recommendation and he ask PQD Marlene to move Motion on Notice 1.

PQD Marlene moved

"That as required by TI Policy 6 the District Executive endorses the District Director's recommendation that the Table Topics, Humorous Speech and Evaluation contests be run in addition to the International Speech Contest during the 20204-2025 year".

Seconded: Div L Sheryl Dickerson

PDG, Contest Consultant, Alun queried the requirement for which contests should be held at what point in the year.

DP Murray indicated the timing of speech contests was a requirement under District Procedures.

DD Richard confirmed the timings as Table Topics and Humorous in the first round and Evaluation and International in the second. Division R will be holding all 4 contests on the same day.

DP Murray noted that District Procedures specify that the PQD is to report to clubs on what the DEC has decided within one week of this meeting.

The motion was adopted.

13. Program Quality Director's Report

PQD Marlene moved

"That the meeting approves the following dates for the Division Conferences as recommended by the Division Directors"

- Division K & L Combined — Saturday 9th November 2024 and Saturday 22nd March 2025
- Division M & N Combined — Saturday 2nd November 2024 and Saturday 29 March 2025

- Division R — Saturday 5th April 2025 [All 4 Contests]

Seconded: AD P4 Jobet Panton

The motion is adopted.

PDD Neil highlighted a precedence was being set by specifying the approval is set in stone when a date may need to change further down the line. He suggested the wording should be "Recommend" rather than "Approve".

DP Murray highlighted a process was in place should it be necessary to change any of the approved dates.

PDD Neil proposed the following amendment:

"That the meeting recommend the following dates for the Division Conferences as recommended by the Division Directors"

Moved: Div M Margot Burton
Seconded: Div L Sheryl Dickerson

IPDD James opposed the amendment. James highlighted the Division Directors had given due consideration to the proposed dates and had made a recommendation. He therefore had no problem with the DEC confirming the dates, and thus setting them in stone. He saw no need to build in any flexibility or contingency.

In his right of reply PDD Neil clarified his reasoning for the amendment based around complications that may arise.

The proposed amendment was carried.

PQD Marlene Krone presented her report with the following updates:

- As of 30 June we had 49 Distinguished clubs, 7 short of the District goal.
- Membership target was 128 payments short of the District goal.
- We were 17 paid clubs short of our District goal.
- PQD Marlene took this opportunity to thank the previous District leadership team in bringing D112 almost to Distinguished status.

- PQD Marlene confirmed she will be filling the District Calendar with lots of workshops covering a wide spectrum of topics. These workshops will be advertised in the D112 newsletter and on the calendar.
- Pathways workshops will still continue, and a PR programme is in full swing.
- Six dates have been scheduled for Round 1 of COT; this opportunity is also open to members who are not currently officers but may be interested in taking on a role in the next year.

AD M5 Steve sought clarification as to if the planned workshops would be in-person or online.

PQD Marlene confirmed they will be online and are going to be recorded as well.

Div M Margot sought clarification around the length of timing for COT.

PDD Stephen confirmed the allocated timing is far shorter than what could be presented in order to train officers more fully.

PQD Marlene gave a brief overview of what the COT will include.

The final report of the Taupo Conference had been published.
