### Support

Club Coaches - what clubs have a coach appointed, and what clubs still need a coach appointed?

Geyser Gourmet has had a club appointed.

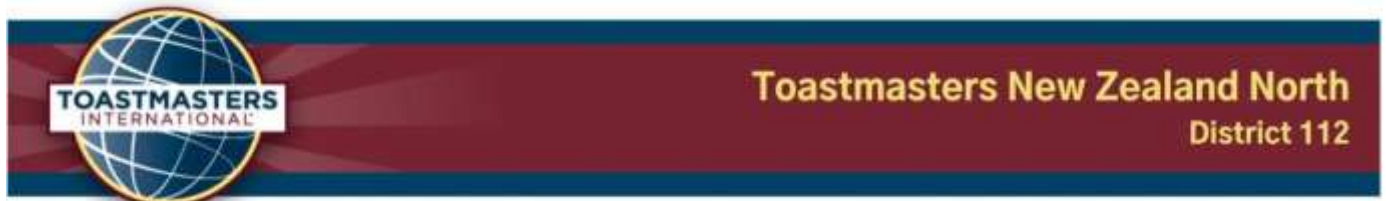

Both Katikati and Achieve are still in need.

Club Support – what clubs would benefit from additional support, and what support is required?

Achieve Toastmasters: dangerously low club membership. A real membership drive is necessary. The remaining members are dedicated to the club and do not want it to close.

Tauranga Toastmasters: few members are interested in taking on officer roles so the club is expect to have the minimum amount of officers at the next election. The club could potentially benefit from having someone speak to the club about the roles and benefits of volunteering.

### **New Clubs – Prospects, leads, clubs in formation** What is the progress, and what support is needed?

No real leads or prospects here.

### **Division Events**

What events have been held, and what feedback have you received?

For example – COT, Area or Division council meetings, Area or Division contests, workshops etc

We have had 2 Division council meetings for the year. We have a combined Area contest coming up on 1 March and Division contest coming up on 22 March.

What events are being planned, e.g., club anniversaries, DTM awards etc.?

No upcoming events that I can comment on or am aware of.

### **Challenges**

What challenges is the Division facing, and what potential solutions/assistance is needed?

Issues	Solutions
Low membership in some clubs. Potential loss of one club in Q3 if numbers aren't increased soon.	Increased advertising
An enduring issues is that the clubs in Q3 not to wish to have club contests. Although a couple of them have low numbers, the other chose not to have competitions despite higher membership. This reduces opportunities for members to observe and learn, also reduces individual connections to and interest in contests generally.	Educational and increased club engagement
Low DCP goals	Area officers and I have been looking through District Central at the club goals and discussed last Div Q council meeting talking with clubs who are close to achieving their goals to encourage them.
