

Interim report of the D112 Alignments Committee

This is an interim report, based on club membership as at 28 February 2025.

A Final Report will be posted on 1st May 2025, for consideration by the May DEC and ADC. That will reflect the impact of the March renewal round.

Contents:

- [A] Background
- [B] Recommendations
- [C] Appendix One. Proposed Area and Club Alignments
- [D] Appendix Two. Listing of Clubs by current Area and proposed new area.
- [E] Appendix Three. List of clubs lost since D112 was Chartered.
- [F] Appendix Four. Extracts from Toastmasters International Governing Documents

BACKGROUND:

Last year the Board of Directors made two significant changes. The makeup of a District Alignments Committee and the criteria that the committee is to work to. These are shown in Appendix 4 and have resulted in this report

Key Points

- 1 A division must have at least 4 Areas
- 2 An Area has between 4 and 6 clubs, four of which must be in good standing on 1st July next year.

The current situation in District 112 is that:

- [a] Three Divisions (K, Q & R) each only have three areas
- [b] Four Areas (L2, M1, M4 & N3) have less than four paid clubs.
Since District 112 was Chartered in 2018, we have lost 54 clubs. This includes some who were chartered in that period and subsequently died. In the same period Region 12 lost 429 clubs.
- [c]

Because it was likely that the number of Divisions would need to reduce and to give some certainty to members seeking District Office, District Director Richard Perkins DTM instructed that the committee would issue an INTERIM report by the 3rd of March 2025, for consideration by the March District Executive and a Final Report once the results of the March renewal round were known.

The D112 Alignments Committee consists of:

Co-Chairs Toni Sharp QSM DTM PDD and Murray Coutts DTM PDDG

Division K Director Helen Madden MS 1
Division L Director Sheryl Dickerson DTM
Division M Director Margot Burton EC 5

Division N Director	Nathan Saminathan DTM
Division O Director	Sandeep Kinge DTM
Division P Director	Tracy Bovett DTM
Division Q Director	Talia Powell VC 2
Division R Director	Meegan Herewini EH 3 ***

*** Neville Isherwood DTM stood in for Meegan on the committee.

RECOMMENDATIONS

Note it was original proposed to name the Western Division Central and the Central Division as Western. Feedback was that calling a Division “Western” which included two East Coast areas was inappropriate, accordingly the designations were swapped over.

RECOMMENDATION ONE:

That the six Divisions be:

NORTHERN DIVISION

Covers Northland and the North Shore of Auckland.

WESTERN DIVISION

Covers Auckland City Clubs West of State Highway 1 and North of the Tamaki River

HARBOUR DIVISION

Covers Auckland City Clubs between the Harbour and State Highway 1, and North of the Tamaki River

MANUKAU DIVISION

Covers Auckland City Clubs South of the Tamaki River, plus Thames

CENTRAL DIVISION

Covers Clubs in the Waikato, Bay of Plenty, Gisborne and Hawke’s Bay

SOUTHERN DIVISION

Covers Clubs in Taranaki, Whanganui, Manawatu, Tararua, and Horowhenua

RECOMMENDATION TWO:

That the alignments as listed in Appendix One be adopted.

Article XI: Committees

a. Alignment Committee

1. Each year, the District must review, and amend, if needed, the alignment of clubs, Areas, and Divisions within its boundaries. The District Director shall appoint an Alignment Committee chair and committee members no later than January 1.

a. The members of the Alignment Committee are the Division Directors. At the discretion of the Division Director, they may select another member from the Division to serve on the committee with approval from the District Director. If no Division Director is serving, the District Director will appoint a member from the Division to serve as a replacement member.

b. Each Division must be equally represented on the Alignment Committee. Committee members cannot represent more than one (1) Division.

c. The chair of the Alignment Committee shall have served previously as a Division Director, Club Growth Director, Program Quality Director, or District Director.

d. Candidates for District office for the following program year may serve on the committee.

e. Once the committee has been appointed, they shall serve through July 15 of the following program year.

2. The Alignment Committee prepares an alignment proposal and provides the proposal to the District Executive Committee for review.

3. The District Council reviews and approves a proposed alignment, including the number of Divisions and assignment of clubs into Areas, at its Annual Meeting.

4. Once the District Council approves the proposed alignment only the District Executive Committee may amend the alignment of clubs into Areas, upon recommendation of the Alignment Committee. Any amendments must be approved by the District Executive Committee by a two-thirds vote. The number of Divisions must not be amended.

5. The District alignment must be submitted to World Headquarters no later than July 15.
