

DISTRICT 112 TOASTMASTERS NEW ZEALAND

Call for Nominations for the District 112 Toastmasters in New Zealand Citation Award!

Greetings to all current and past Club Presidents and all current and past District Officers

This is a call for Nominations for the District Citation Award.

The District 112 Citations are presented to deserving members of our organisation each year to acknowledge outstanding Toastmasters who have contributed to their clubs, Division and District as well as the organisation, usually over several years. This includes contributions to District 72 before the reformation.

The award recognizes members who have made ongoing contributions for several years and are sparingly awarded. Past recipients of this D112 award are ineligible.

If you would like to nominate a worthy Toastmaster, please reply with about three paragraphs explaining why your nominee should receive this award. District procedures are followed to determine the recipients of this award.

NOTE: Nominations close next week on the 15th of April, and all nominations are to be sent by email to the District Director

Kind regards

Richard Perkins DTM

D112 District Director 2024 - 2025
