MAN OF THE YEAR 2024-2025

Welcome to the 2025 District 112 Conference Rotorua, New Zealand |May 2025

Dear Conference Attendees

Welcome to the 2025 Toastmasters District 112 Conference in the vibrant and culturally rich city of Rotorua. The theme for the conference is Celebrating 100 Years of Toastmasters and it's a pleasure to gather once again in person –to reconnect, collaborate, and celebrate the progress we've made together.

The conference Whakatauki is "Ka Mua, Ka Muri – Look Back to Look Forward", which invites us to reflect on our past achievements while boldly stepping into the future we envision. It serves as a timely reminder that our members are the heart of Toastmasters—and it is through them that we continue to grow, inspire, and lead. The district theme of "Building Membership Together", I first used when campaigning for the role of Club Growth Director three years ago.

Today we are proud to share some of our year's outstanding milestones: 9 Distinguished Toastmasters and 80 Triple Crown awards. 820 new members and more than 3,300 renewals. These results speak volumes about our shared dedication. As we dive into a weekend filled with engaging workshops, exciting contests, and our unforgettable Gatsby-themed gala on Saturday evening, I encourage you to take full advantage of every opportunity to learn, laugh, and lead. Thank you for your service, passion, and commitment. Let's make this conference one to remember.
