

# Report of the D112 Alignments Committee

## Contents:

- [A] Background
- [B] Recommendations
- [C] Appendix One. Proposed Area and Club Alignments
- [D] Appendix Two. Listing of Clubs by current Area and proposed new area.
- [E] Appendix Three. List of clubs lost since D112 was Chartered.
- [F] Appendix Four. Extracts from Toastmasters International Governing Documents

## **BACKGROUND:**

Last year the Board of Directors made two significant changes. The makeup of a District Alignments Committee and the criteria that the committee is to work to. These are shown in Appendix 4 and have resulted in this report

### Key Points

- 1 A division must have at least 4 Areas
- 2 An Area has between 4 and 6 clubs, four of which must be in good standing on 1st July next year.

## **The current situation in District 112 is that:**

- [a] Three Divisions (K, Q & R) each only have three areas
- [b] Four Areas ( L2, M1, M4 & N3) have less than four paid clubs.
- [c] Since District 112 was Chartered in 2018, we have lost 59 clubs. This includes some who were chartered in that period and subsequently died. In the same period Region 12 lost over 429 clubs.

Because it was likely that the number of Divisions would need to reduce and to give some certainty to members seeking District Office, District Director Richard Perkins DTM instructed that the committee would issue an INTERIM report by the 3rd of March 2025, for consideration by the March District Executive and a Final Report once the results of the March renewal round were known.

The March District Executive approved the new Division names. These give a greater sense of community than random letters. The first letter of each Division name will be used in TI Statistical reports.

When compiling this report for 4 weeks before the District Council and 11 weeks before the 30th June, overall club memberships will increase. We have however needed to make some changes to the interim proposal because of some clubs closing at the March renewals. These were:

In Harbour Division: Waikerio and College Hill both closed. Review Toastmasters (which meets at a different location each month) has moved from Harbour 2 to Harbour 1

In Central Division: Katikati club closed. Geyserland Club has now moved from Central 3 to Central 4 and Geyser Gourmet has moved from Central 4 to Central 5. CHB Club has need to be moved to Southern 3

In Southern Division: Stratford Closed. Whanganui is moved from Southern 3 to Southern 2. CHB is moved from Central 6 to Southern 3. Ideally the move of CHB is for 1 year and the new District team can charter at lease one more club in the Southern Division during 2025-2026

There are a small number of other clubs which are under 8 as at 16 April. After discussion with the Trio and the Division Directors, we are confident that they will be in good standing by 30th June 2025.

## COMMENTS

- 1 On the date of this report 6 clubs were not yet in good standing.

		Current	Require	Impact on Their Area
Northern 5	Milford Club	5	3 more	None
Harbour 1	Moo Talk Toastmasters Club	7	1 more	Danger
Harbour 4	High-5 Toasties	7	1 more	None
Central 5	Tauranga Toastmasters Club	0	8 more	Danger
Central 5	Achieve Toastmasters	2	6 more	Danger
Southern 1	Good Vibes (Online club)	6	2 more	Danger
- 2 The current membership of these 6 clubs will be updated at the Rotorua Conference. The question at that stage will be the probability of the club being in good standing on 30 June 2025.
- 3 This is perhaps the biggest realignment this District has considered. On behalf of Toni and Murray our thanks to the Division Directors for their effects in communicating with each of their clubs. On behalf of the alignments committee our thanks to the clubs participating in the process.

If no Division Director is serving, the District Director will appoint a member from the Division to serve as a replacement member.

c. The chair of the Alignment Committee shall have served previously as a Division Director, Club Growth Director, Program Quality Director, or District Director.

d. Candidates for District office for the following program year may serve on the committee.

e. Once the committee has been appointed, they shall serve through July 15 of the following program year.
