Club Support – what clubs would benefit from additional support, and what support is required?

Pohutukawa Coast Toastmasters Club had planned a couple of BBQs with drinks before one of their regular meetings as a membership drive in the Beachlands area. A couple of guests attended despite a good response to the email invite; however, the club member number does not seem to be increasing yet. The main reason appears to be that the area is somewhat remote for many.

I think PR activities such as posting group photos, winners, and member induction posters on social media, as well as guest invitation posters in community halls/supermarkets, will benefit. For this, I think support from D112 PRM to the Club VPPRs would be helpful.

New Clubs – Prospects, leads, clubs in formation

What is the progress, and what support is needed?

I see two prospective clubs under my login; however, this prospective club does not fall under my Division O:

- Auckland New Zealand Pros Club and

Division Events

What events have been held, and what feedback have you received?

For example – COT, Area or Division council meetings, Area or Division contests, workshops etc

- District conference, however, is a district event. Several representatives from Division O attended the District Conference.

What events are being planned, e.g., club anniversaries, DTM awards etc.?

- 50th anniversary celebration is planned on 7th June 2025 for Pakuranga Club
- There were 3 DTM awards for members from Division O, and those were presented in the District Conference.

Challenges

What challenges is the Division facing, and what potential solutions/assistance is needed?

Issues	Solutions
Low membership	PR Activities
Low-quality meetings	Education presentations in clubs with low membership
Lack of interest in Leadership roles	Education (motivation) and better handovers
