### Support

Club Coaches - what clubs have a coach appointed, and what clubs still need a coach appointed?

No new appointments. The decision has been made within Achieve club to close. There are several challenges facing the club in terms of strategy for increasing membership (difficulties with technology / making club hybrid / retaining visitors when they opt to join Kickstart or Tauranga (which are significantly bigger clubs).

Club Support – what clubs would benefit from additional support, and what support is required?

Kickstart could use additional support in convincing members to use pathways and achieve DCP goals. The membership base (35) is large, and the attitude towards Pathways is likely inhibiting new members from participating in it.

TMI has found the record of Tauranga's payment – club rights will be rectified.

### **New Clubs – Prospects, leads, clubs in formation**

What is the progress, and what support is needed?

No new clubs.

### **Division Events**

What events have been held, and what feedback have you received?

For example – COT, Area or Division council meetings, Area or Division contests, workshops etc

Division council meetings and subcommittee council meetings.

What events are being planned, e.g., club anniversaries, DTM awards etc.?

None currently.

### **Challenges**

What challenges is the Division facing, and what potential solutions/assistance is needed?

<b>Issues</b>	<b>Solutions</b>
Low membership	Build social media presence and get clubs advertised.
Low engagement with Pathways / slow meeting DCP goals	Plan educational sessions with clubs in need.
No planned Division events	Run a speech day for DCP goal achievement and put some educationals in it that target other issues (i.e Pathways).
