What challenges is the Division facing, and what potential solutions/assistance is needed?

Issues	Solutions
Clarity on the process and criteria of accessing district support (i.e. marketing boost fund)	Potential agenda item at DOT or COT for relevant officers' full understanding, including real life example and learnings
Weak membership in certain geographical areas	Targeted upskilling of club officers + district led targeted promotion
Member retention and uptake of the latest systems (i.e. digital fluency)	Promotion of the current district support in place to clubs (i.e. pathways champion, pathways workshop)
