DP 14.1.2 District Contest Trophies are presented on the day of the final.

Explanatory Note

Triple Crowns are no longer presented at the District Conference. When the current Triple Crown criteria was updated 5+ years ago the requirements were significantly more rigorous than today and only a very small number of members qualified each year. Last year 120 members achieved the Triple Crown awards.

We also took the opportunity to consolidate three DPs into one table. There are no other changes.
